

Try A Nybble of Python Github Updates

Currently:

The <https://youtu.be/e2vGhSayMqs> is the latest instruction video to download Python. Leave comments at the video if the <https://www.python.org> website has changed and the instructions require an update.

In the future:

Check back here https://eteefer.github.io/Try_a_Nybble_of_Python_github_updates.pdf and at the Amazon listing for *Try a Nybble of Python* to learn more about upcoming code-along videos.

Check back here for updates on the release of the second book to be released in the future.
