

Homework Due April 8

Homework is to read chapter 13 and send me a funny something you draw on the canvas element. Just send me the repl link.

Class video will be posted here shortly...

<https://youtu.be/H3kPKxkgNYc>

Examples from today...

<https://replit.com/@eteefer/PlayingWithTheCanvas#index.html>

<https://replit.com/@eteefer/drawGrid#index.html>

<https://replit.com/@eteefer/circlesEverywhere#index.html>

<https://replit.com/@eteefer/invaderParody#script.js> (- on this last one in class I forgot to press run again after commenting out the document.ready() function, so yes you can access the ship object in the console.)
