Thanksgiving Homework

Submit by email any previous homework that has not been turned in.

Submit by email any programming questions you need help with.

Understand what a Turing test is and that there are different types of Turing tests. If an artificial intelligence has passed a Turing test, it is good to examine the details of the test to really understand the capabilities of the AI.

Here are some interesting links if you'd like to explore what we learned in class further…

Mitsuku, the chatbot.

https://www.pandorabots.com/mitsuku/

Transcript of Mitsuku and the judges from this year's Loebner competition.

http://www.square-bear.co.uk/mitsuku/loebner2019.htm

Transcripts of Mitsuku and other chatbots from the 2018 Loebner competition.
